MON PREMIER CRISTAL LALIQUE

Lalique created a new collection of 3 female fragrances,
to re-create the cristal daily usage.

Under the sign of a swallow bird, all flacons are personalized with an
accessory ribbon developed by O&F: hot pink for Sensuel, light pink for
Tendre, and black for Lumière.

On all flacons, 2 golden metal plaques were precisely and delicately engraved
for a harmonious finish.

The colored ribbons, which subtly incorporate gold, decorate the box and
serve as gift for purchase on the point of sale.
