BONBONBOW LIMITED EDITION 2015  
VIKTOR & ROLF

---

BONBONBOW, Limited Edition HOLIDAY 2015

For the occasion of the first limited Edition of its new fragrance BONBON, VIKTOR & ROLF had to wear its evening dress with a sparkling bow jewel !

To celebrate the occasion, ORIOL & FONTANEL selected with its partner GSM 148 Preciosa rhinestones that were preciously stuck on a satin & luminous fabric.

To keep the rounded shape of the bottle, O&F leant on its collaboration with Dupont de Nemours to imagine a surlyn frame at the back of the fabric.

This precious & delicious sweet is delicately hung to the neck of the bottle thanks to the well-known satin elastic system invented by  
ORIOL & FONTANEL.
